- Parents are asked to arrange for their kids to be dropped off at the church at 7.00pm and to have them picked up at 9.00pm from the church (unless otherwise specified).
- For activities where we wont be staying at the church a permission form will be required for the kids to take part. The form will be given out prior to the activity.
- When transport is required for an activity, parents may be asked to help out with driving kids for the night. (NOTE: 'P' plate drivers wont be used to transport kids)
- The cost each week is \$2. This will be used to cover any costs such as prizes, supplies etc. ON the nights when the activity has it's own cost (ie swimming), the standard \$2 is not required
